## **Dominique Perrault**

Leading figure in French architecture, Dominique Perrault gained international recognition after winning the competition for the National French library in 1989. He received many prestigious prizes and awards. In 2015 he was elected at the French Academy of Fine Arts and was awarded the Praemium Imperiale Prize for Architecture by the Japan Art Association for his achievements. Last year, Dominique Perrault completed three major rehabilitation and extension projects; the Pont de Sèvres Towers – Citylights, the new mechanicals hall of the École Polytechnique Fédérale in Lausanne as well as the Dufour Pavilion, new entrance of the Château de Versailles. In 2017 Dominique Perrault opened the exhibition „Mission Île de la Cité, le cœur du cœur“ in Paris, which presents the >
